Mounts Bay Sailing Club is run by volunteers and a condition of membership is that you contribute in some way. By not employing staff we keep subscription fees down. We need safety boat crews, race administrators, helpers to teach beginners to sail, bar staff, and catering helpers.

Please write in the box below which of these duties you are prepared to do for the benefit of the club.

Mount's Bay Sailing Club has a safety plan for club racing and club training events ('club sailing'). It is compulsory for life-jackets or buoyancy aids meeting relevant British Standards to be worn at all times while on the water. The Club will provide at least one safety boat but the club only seeks to provide safety facilities during the hours of club sailing for members engaged in club sailing (as opposed to free sailing). Parents/Guardians have sole responsibility for the seaworthiness of their children/wards' craft and for the safety, supervision and control of their children/wards at all times whilst on the water, in the dinghy pen or on the clubhouse premises.

I give my permission for the above named junior(s) to be a member(s) of Mount's Bay Sailing Club if elected. I have read and understand and agree with the club's child photography policy. I agree to images of my children being taken and used as detailed in the notes accompanying this form,
