Mounts Bay Sailing Club has a safety plan for club racing and club training events ('club sailing'). It is **compulsory** for life-jackets or buoyancy aids meeting relevant British Standards to be worn at all times while on the water. The club will provide at least one safety boat but the club only seeks to provide safety facilities during the hours of club sailing for those members engaged in club sailing (as opposed to 'free sailing'). Parents/guardians have sole responsibility for the seaworthiness of their children/wards' craft and for the safety, supervision and control of their children/wards at all times whilst on the water, in the dinghy pen or on the clubhouse premises.

I, \_\_\_\_\_ give my permission for the above named junior(s) to be a member(s) of Mounts Bay Sailing Club. I have read, understood and agree with the club's child photography policy. I agree to images of my children/ward being taken and used as detailed in the accompanying notes.
